Advanced Officer Training Division

Dear Leaders:

Welcome to Fort Jackson, home of the Adjutant General's Corps and the Soldier Support Institute (SSI). I personally look forward to your attendance at the Adjutant General Captains Career Course (AGCCC). Our mission in the Advanced Officer Training Division is to educate, train, and develop Army Adjutant General Captains to be agile, adaptive, confident, and competent Human Resource leaders utilizing relevant doctrinal instruction in order to operate in today's operational environment. AGCCC is a course designed to prepare you to assume your role as an officer, leader, and human resources manager. AGCCC is a rewarding experience and serves as a solid foundation upon which to build your career.

AGCCC will challenge you academically, physically, and mentally. My expectation is that you, as a leader, come to AGCCC motivated to learn, and imbued with the Army Values and warrior spirit.

For additional information regarding specific class requirements and instructions, please contact your class instructors. You may contact any of our instructors at the AGCCC department at: [usarmy.jackson.ssi.mbx.ags-aotd@mail.mil](mailto:usarmy.jackson.ssi.mbx.ags-aotd@mail.mil). Someone will respond to you within three working days.

I wish you safe travels and look forward to your arrival here at Fort Jackson.

**DEFEND AND SERVE!**

Sincerely,
