

FOR AGCRA CHAPTER PRESIDENTS

Chapter Presidents,

These are exciting times for the AG Corps Regimental Association and the entire Army HR team. We continue to grow AGCRA membership each month and are now larger than we've ever been. Most of the credit goes to all of you and your great AGCRA chapter teams.

Now I need your help on another new and exciting development for our Regiment... the AGCRA annual scholarship program. At our National Ball on 10 June this year, we will announce our first \$1000 scholarships to four (4) nominated and selected AGCRA members and/or their dependent family members. Time to select these superstars is very short this year, however, so I need your push to get the application packets in by 15 May. The details are on the attachment, and will also be published to all members via our AGCRA website, AG School website, and the AG Facebook page. I am counting on you and your team to get the word out so our members have the opportunity to take advantage of these scholarships for the upcoming school year. Also, our scholarship chairman will be contacting some of you soon to electronically vote the application packets we receive.

Again, thanks for all your great work and support!

Defend and Serve!

COL Manning

FOR AG SCHOOL, AGCRA WEBSITES, AND S1NET

Members of the Association,

This is a wonderfully exciting time for the Adjutant General's Corps Regimental Association (AGCRA)! Not only are we moving forward with the first ever AG Corps Print produced by Mr. Mort Kunstler but this year, at the National Ball on 10 June, we will announce the recipients of the first ever AGCRA Scholarship Fund.

This year four (4) AGCRA members, or their dependent family members, will qualify for, and receive, \$1000 each in scholarship funds to continue their education.

Eligibility information, award criteria, and an application for the awards are included on the attached document.

Time is short! Gather your documentation and submit your scholarship today. Application must be received by the VP, Plans and Programs, no later than 5:00pm, 15 May 2011. Emailed applications are accepted if complete. They should be sent to plans@agcra.com.

Any questions concerning this exciting new program should be directed to the VP, Plans and Programs at plans@agcra.com.
