

## Selection of New AG Corps Regimental CSM

Active and Retired Army HR Leaders,

As Chief of the AG Corps I am proud to announce that I have selected SGM Todd J. Shirley as the next AG Corps Regimental CSM and AG School CSM

SGM Shirley is currently serving as the USFOR-A J1 SGM in Afghanistan deployed with the XVIII Airborne Corps. He has a myriad of outstanding leadership and AG Corps assignments that make him the right Senior NCO to lead our Corps as part of the Regimental Command Team.

We anticipate a Regimental CSM Change of Responsibility Ceremony to be held in early July to welcome SGM Shirley to the team and to thank CSM Culbertson for his immeasurable contributions to the Corps. We will provide details and additional information in the near future.

Congratulations to SGM Shirley as the next AG Corps Regimental CSM!
